

Job opportunities with Classic Car Restorations (East Anglia LTD)

Classic Car Restorations specialise in full and part restorations on all types of classic cars.

We are currently looking to recruit an experienced vehicle prepper/painter

Job description

Your responsibilities will include;

- Masking, priming & filler work,
- Prime and prepare vehicles in readiness for spraying by cleaning, sanding and priming to ensure a smooth flawless finish.
- Painting vehicle mechanical, underbody and miscellaneous components and ensuring all parts are finished to an exceptional restoration standard
- Applying standard black and body-coloured premium underbody coatings and anti-corrosion protection
- Flattening, polishing and quality control inspection of paintwork using a detailing style light to ensure a flawless finish
- Ensuring parts/consumables are ordered in a proactive and efficient manner.

Desirable skills for this role include;

- Strip/fit and panel alignment experience
- Experience in carrying out filler work, priming, blocking, spray filler and high build primer along with edge-to-edge filling of vehicle bodywork.

All candidates are expected to;

- Have a strong interest in classic cars with a keen eye for detail, taking pride in the quality of their work.
- Maintain an organised clean and tidy work environment.

- Have a positive approach to learning new skills and work well as part of a team.
- Have Knowledge of all necessary techniques associated with paint preparation.
- Takes ownership of all aspects of their role, working without close supervision.
- Be highly self-motivated and able to work to deadlines whilst maintaining attention to detail.

This is a full time position Monday- Friday.

Salary: Up to £31,200 - depending on experience
